NMA ANNUAL CONVENTION & SCIENTIFIC ASSEMBLY

SPECIAL WORKSHOP -

Diabetes Management Symposium & Certification Workshop

OBJECTIVES -

Upon completion of this certification program, participants will be able to:

- Describe the epidemiology and natural history of type 2 diabetes.
- Diagnose and manage type 2 diabetes throughout the lifespan.
- Apply the Chronic Care Model and team approach in managing type 2 diabetes.
- Explain the latest guidelines as described in the *ADA 2008 Standards of Diabetes Care*, across the lifespan.
- Utilize appropriate National Diabetes Education Program (NDEP) educational materials for diabetes prevention and control.
